Flint RiverQuarium

The Flint RiverQuarium follows the Flint River's amazing 350-mile journey to the Gulf of Mexico, and the 175,000 gallon Blue Hole is one of only a few open-air aquariums in the world. Get a unique look at Southwest Georgia's mysterious underwater world with more than 100 species of fish, alligators, turtles and other aquatic animals. The Cypress Pond Aviary is home to more than 30 birds indigenous to the Flint River watershed. The Skywater Room and Imagination Theater, the area's only large screen format theater, are also available for rent. FLINTRIVERQUARIUM.COM

Albany Civil Rights Institute

Visitors to the Albany Civil Rights Institute interactive museum and exhibit learn about the long Southwest Georgia Movement that stretches back to the 1960's and reaches right up to today. Come hear the power of music in the movement and see what happened to ordinary people in extraordinary times through multi-media exhibits, oral histories, and Old Mount Zion Baptist Church. Facilities include the auditorium/multipurpose room, an outdoor Freedom Garden, and the Grand Lobby. Freedom Singers perform monthly on the 2nd Saturday.

Thronateeska Heritage Center and Wetherbee Planetarium

Home to the Wetherbee Planetarium, the Georgia Museum of Surveying and Mapping, local history and science museums with interactive exhibits, a historic railway exhibit with a model train display and the South Georgia Archives, Thronateeska has something for everyone's entertainment, enrichment and enjoyment. The historic Fryer-Merritt House built in the 1800's serves as business offices for the Center. Located in Heritage Plaza, on the last brick street in Albany, Thronateeska is also home to one of the oldest train depots in Georgia.
